REQUEST FOR PROPOSALS

Electronics Recycling Services for One Event for Monongalia County Residents

INTRODUCTION

The purpose of this Request for Proposals (RFP) is to invite qualified vendors to submit proposals to the Monongalia County Solid Waste Authority (MCSWA) to provide electronic recycling (E-cycling) services to collect, process, load, transport, and market electronic equipment brought by Monongalia County residents. The MCSWA has received funds from the West Virginia Department of Environmental Protection (DEP) REAP Covered Electronics Devices (CED) Recycling grant to work with the selected vendor to host a one (1) day event.

SPECIFICATION TO PROVIDE E-CYCLE SERVICES

- ON-SITE collection of various covered electronic devices except for liquids, non-rechargeable batteries, biohazards, and Cathode-ray tube style television and monitors. For one (1) event on Saturday, September 24, 2022.
- Hours: 10:00 am – 2:00 pm
- Provide at least one 20-foot box truck (or equivalent) and driver to transport Electronics waste (e-waste) back to recycling provider’s recycling facility.
- Recycle e-waste according to EPA standards
- Must adhere to R2 practices
- Provide necessary personnel and packing material, equipment and transportation cost.
- Provide a Certificate of Destruction within 10-days after event.
- All mileage and fuel charges or any miscellaneous charges must be included in the vendor’s flat rate.
- Provide a list of acceptable and unacceptable materials.
- A copy of Vendor’s standard Memorandum of Understanding Agreement must be submitted with proposal.

MCSWA RESPONSIBILITIES

Responsibilities of MCSWA will include:

- Provide event location for one (1) day E-cycling Event
- Contract with a private company to receive, process, load, transport, and market the electronic equipment
- Provide all advertising and public education for the event

PROPOSAL REQUIREMENTS

Each vendor's proposal submission must comply with the following to be considered:

- Vendor agrees to defend, indemnify, and hold harmless the Monongalia County Solid Waste Authority for all loss, liability, claims or expense (including reasonable attorney's fees) arising from bodily injury, including death or property damage, to any person or persons caused in whole or in part by the negligence or misconduct of the vendor, except to the extent same is caused by the negligence or willful misconduct of the County. It is the intent of this section to require the vendor to indemnify the County to the extent permitted under West Virginia law.
- The vendor shall obtain, at his sole expense, all insurance in the following paragraphs and shall not commence work until such insurance is in effect and certification thereof has been received by the Monongalia County SWA. All insurance companies must be licensed in West Virginia and be acceptable to the Monongalia County SWA.
 - Worker's Compensation Insurance
 - Commercial General Liability Insurance
 - Commercial Automobile Liability Insurance

Proposals should include:

- An explanation as to how the vendor will receive, process, load, transport, and market the electronics equipment. This should include, but is not limited to, necessary staff, necessary equipment, how the material will be stored, number of trucks, how the materials will be processed, and where the end markets will be.
- An explanation of how and where the vendor will provide and use scales to verify the quantity of materials received and marketed.
- An explanation of how and when the vendor will invoice the Monongalia County SWA for the cost of the event, including specific costs for data reporting of the breakdown of the types of equipment collected at the event.
- A list of products that will be accepted at the event and a list of unacceptable material
- Vendor experience including references.

EVALUATION

A proposal review team, comprised of the Monongalia County Solid Waste Authority Board, will review all vendor submissions received by July 25, 2022. The qualified vendors will be ranked according to an evaluation of their proposed contents. Proposals will be evaluated on merit and will not be awarded on the basis of cost alone.

A vendor must demonstrate that all criteria set forth herein are met. Proposals received will be evaluated on qualifications and responsiveness to the Monongalia County SWA objectives, including but not limited to:

- Overall service agreement proposal
- Technical feasibility of proposal
- Technical qualifications and reliability of vendor
- Computer and computer related experience of vendor
- Capability of vendor
- Capacity to implement proposal and handle the one (1) day collection event
- Performance guarantees

It should be emphasized that the Monongalia County SWA, as a public agency, is mandated to act in the best interest of the public at all times and to discharge its duties in a manner that is both responsive and equitable to all residents. Therefore, the Monongalia County SWA reserves the right to:

- Re-issue the RFP should facts and/or circumstances arise which would warrant such action
- Supplement, amend, or otherwise modify this RFP
- Negotiate with vendor for amendments or other modifications to vendor's proposal
- Reject any or all proposals

Failure or inability of vendor to recover, reuse, or recycle listed materials for acceptance, processing, transportation, and marketing (except for contamination) will invalidate vendor's response, and will be cause to terminate any agreement between the vendor and the Monongalia County SWA and/or its assigns which may result from this RFP.

The Monongalia County SWA may terminate the Contract immediately for unsatisfactory performance by the Contractor. The Monongalia County SWA or Contractor may terminate this Contract upon serving one hundred eighty (180) days written notice of such to the other party, for any reason which the Monongalia County SWA or Contractor, in its sole discretion, deems to be an appropriate cause for termination.
